

### Shipping Policy

Once we have received your order and your account has been created your card will be shipped to the registered school associated with your account.

There is no shipping fee charged as this has already been included in your application fee.

Once your order has been confirmed (by an automated email), the card will be shipped within 10 days. As all cards are posted via standard delivery please allow adequate handling time as this may vary.

We strive to have all our orders to our customers within the 10 day timeframe therefore if you have any issues regarding the delivery of your card please contact our customer support mailbox [customersupport@cheetahmoney.com](mailto:customersupport@cheetahmoney.com) and one of our agents will assist you.
